(4X4)

INTRODUCTION

Before we set out to create the Grenadier we listened to what you told us you wanted from a tough off-roader. Then found the best engineering partners for the job. And put our prototypes through punishing global testing for over 1.1 million miles. Quality, utility, durability, reliability, comfort: every detail's been thoroughly thought through then brought to life with expert precision.

Ladder frame chassis engineered by Magna, Springs by Eibach. Award-winning drivetrain from BMW. Five-link beam axles from Carraro. Industry-leading gearbox by ZF. Off-road transfer case designed by us, made by Tremec. Seats by RECARO. Engineering excellence designed and tested to combine high performance with extreme utility. Proven to be able to tackle whatever task or terrain you have in mind. How you use it is down to you.

STATION WAGON

A seriously capable all-rounder. Engineered to be balanced between payload and passenger carrying capability. Ready to tackle trails, twisty lanes, and city streets with equal ease. With a choice of trims and accessories to adapt to your exact needs.

QUARTERMASTER

For even more versatility when carrying awkward loads on extreme off-road terrain. The size of the load bay, paired with unrivalled off-road capability among pick-ups, means you can carry even the most impractical of loads to remote destinations. All with seating for five and a choice of trims and accessories tailored to your needs.

EVERYDAY EXPLORATION

INEOS GRENADIER

EVERYDAY EXPLORATION

The Grenadier is a rugged, reliable, expertly engineered 4X4. But it's also much more than that. It's comfortable. Functional. Highly versatile. Tuned and balanced to perform how you need it to both on road and off. And designed to carry out whatever task your life throws at it.

So it's your family car, your tough everyday work vehicle, your weekend adventurer. Year after year after year. A 4X4 engineered precisely both for you, and the generations to come.

**“THE GRENADIER IS A
UTILITARIAN THROWBACK
WITH MODERN TOUCHES,
MECHANICAL WHERE IT
CAN BE BUT ELECTRONIC
WHEREVER NECESSARY.
FEWER ENGINE CONTROL
UNITS EQUAL MORE
SIMPLICITY.”**

MERCEDES LILIENTHAL

NEW YORK TIMES 

“WHEN YOU COMBINE ITS
OFF-ROAD CAPABILITY WITH
THE CLASS-LEADING PAYLOAD,
YOU ARE REWARDED WITH
A VEHICLE THAT IS READY
TO TAKE YOU TO THE REMOTE
CORNERS OF THE GLOBE,
AND BACK AGAIN.”

OUT AND ABOUT

ZF TRANSMISSION

Whatever speed you're travelling, or road conditions you're driving on, the Grenadier's expertly engineered design means it's highly responsive, well balanced, and fun to drive.

The award-winning straight-six 3.0L turbo **BMW engines** combined with the proven 8-speed automatic **ZF transmission**, recalibrated and fitted with a heavy-duty torque converter, give you the power and seamless smooth shifts to adapt effortlessly to any type of road. Plus permanent four-wheel-drive gives you traction you can trust.

Rely on the stopping power of a brake system developed by specialists **Brembo**. Impressive, controlled performance that keeps you on the safe side. Progressive, **Coil Springs** manufactured by industry leaders **Eibach** absorb speed bumps and potholes and give a smoother ride across rough terrain. Add the Grenadier's chassis, anti-roll bars and five-link suspension set-up developed, tuned, and calibrated by **Magna**, and you can be sure of sharp, confident handling on any road.

GRAND TOURING

When you hit the highway, you'll find the Grenadier has been developed and engineered to be a smooth, comfortable, safe place to be. **Cruise control** on, a spacious and light cabin, supportive seats (heated if you need them)¹ crafted by iconic car seat maker **RECARO**. All combine to help you go the distance. Got little ones on board? **ISOFIX/i-Size** keeps them secure, while the tough **Utility Trim** is really easy to clean.

Long drives give you plenty of time to appreciate the small things. Those little details that can make even the longest journeys a pleasure. Enjoy extra refinement with our **Saddle Leather Driver's Pack**.² And add supple full-grain **Leather Trim**³ and **Carpet Flooring**⁴ for extra comfort. Whether crossing a continent, tackling a lengthy commute, or taking that long-anticipated family trip, the Grenadier's interior is a great place to be as the miles roll by.

“THROW IN AN
EXCELLENT SET
OF FRONT SEATS
(RECAROS, BY THE
WAY) AND THE
DRIVE RESULTED IN
FAR LESS FATIGUE
THAN EXPECTED,
MAKING IT A
WELL-ROUNDED
VEHICLE THAT
YOU CAN DRIVE
TO AND THROUGH
THE TRAILS.”

DRIVING **CA**

ZF TRANSMISSION

¹ Optional feature. Standard on Grenadier Fieldmaster Edition.
² Optional feature. Please note the important warranty terms and conditions relating to this option. See page 64.
³ Optional feature. Standard on Grenadier Fieldmaster Edition.
⁴ Optional feature.

MOUNTAIN HIGH

The mountains are calling. Load the bikes, kayaks, climbing gear, skis. Then head up the winding roads to adventure. Every aspect of the Grenadier is precisely thought through – from the commanding driving position, central instrument display and large mirrors, to the excellent front and rear visibility.

Constantly aware of other road users, and with a clear view of the scenery on the way up you alert a group of cyclists (or the wildlife) with the discreet Toot Button. And after 1.1 million miles of global testing, including inside the Arctic circle, slippery snow on the switchbacks is no problem, with **Permanent Four-Wheel-Drive**, **Driver Assistance Systems**, **ABS** and **ESC** keeping you in charge at all times.

ICONIC

4X4

BIG CITY LIGHTS

Shops, movies, restaurant, workplace. Wherever you're planning to pull up, make light work of heavy traffic with ECO Stop/Start. Have your favorite songs on tap thanks to **SiriusXM**^{®1} and our Advanced **Sound System**⁴. You can also easily access podcasts and playlists with **Android Auto**^{™2} and wireless **Apple CarPlay**^{®3}.

The INEOS Grenadier comes with a 3-month SiriusXM trial subscription so you get the ultimate entertainment experience, featuring SiriusXM's expertly curated ad-free music and exclusive artist dedicated music channels, premium sports coverage with live play-by-play from every major sport, and sports talk including all of SiriusXM's official league and college conference channels. You also get Howard Stern, exclusive comedy, talk, and news. Discover even more when you stream on the SXM App, with Xtra music channels for any mood or activity, podcasts including SiriusXM originals, personalized Pandora stations and SiriusXM video including Howard Stern.

Need to check where you're meeting friends? Bluetooth connectivity and voice control means simple hands-free calls. Need a shortcut? Find it using Waze, Google Maps, or whatever app you choose. Maps, media, phonebook – it's all at your fingertips via the multifunction steering wheel, the Central Control System's easy to navigate touchscreen, or the Rotary Controller.

When you reach your destination, slot the Grenadier into the tightest of spaces using **Parking sensors** and the **Rear-View Camera**. Then head off safe in the knowledge the standard alarm or **Advanced Anti-theft Alarm and Immobilizer** is protecting your vehicle, wherever you parked.

Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Not all features are compatible with all phones.
¹Vehicle will include 3-month trial subscription for SiriusXM. Your service will automatically stop at the end of your trial subscription unless you decide to continue service. See important information about SiriusXM on page 64.
²Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires appropriate Android phone, an active data plan and the Android Auto app. Google, Android and Android Auto are trademarks of Google LLC.
³Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay is a trademark of Apple, Inc.
⁴Optional feature. Standard on Grenadier Fieldmaster Edition.

HARD AT WORK

INEOS GRENADIER 14

HARD AT WORK

The Grenadier is an expert off-roader engineered for extraordinary purposes. Designed, tested, and constructed to get the job done. Tough, capable, durable, and built to last. Prepared for all weathers, and all terrains, year in, year out. A working tool you can always rely on. Where you use it, how you use it, and what tasks you set it is down to you.

3.5 T TOWING
CAPACITY

*Aftermarket towing mirrors and trailer pictured are not offered by INEOS Grenadier.

GETTING THE JOB DONE

No matter how tough your working conditions the Grenadier won't let you down. With the **Station Wagon's** unique **30/70 Split Rear Doors** you have quick easy access for smaller items or full width loadspace in tight spaces. And with a trailer attached. Or make use of the reinforced, full length **Quartermaster** bed and drop-down tailgate ready to carry bulky cargo, kit or tools. And tow up to 7,716 pounds** with confidence with **Trailer Stability Assist**. Fold the **60/40 Split Folding Rear Bench Seats** flat for 70 cubic feet of loadspace in the **Station Wagon**. The **Utility¹ Rails**, and **Tie-Down Rings²** lets you secure your kit. Climb up the aluminium **Access Ladder³** to

the Station Wagon's roof. And use the **Roof Rails** to strap down whatever you need up top. Plastic Roof Strips will grip cargo and protect your paintwork. Want to keep mucky things separate? Stick gloves, ratchet straps, or wellies in the **handy Spare Wheel Lockable Storage Box⁴**.

Years in the field take their toll. So the Grenadier's ladder frame is treated with powerful **Anti-corrosion Protection** that combines E-coat, powder coating and hot wax dip. Another innovation from our engineering partners Magna, with a 12-year anti-perforation warranty*.

*Please refer to the INEOS Automotive Manufacturers Warranty Terms and Conditions for all exceptions.

**Before you use the Grenadier for trailering, carefully review the towing section of the Grenadier Owner's Manual.

The towing capacity of your Grenadier may vary. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

¹Optional feature. Standard on Grenadier Trialmaster Edition.

²Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price.

³Optional feature. Standard on Grenadier Trialmaster and Fieldmaster Edition.

⁴Optional feature.

**“THE INEOS GRENADIER
LOOKS AND FEELS
LIKE THE AUTHENTIC
OFF-ROADER AND
OVERLANDING RIG
IT IS.”**

CHRIS PAUKERT

EDMUNDS USA

HF72 FXU

OFF-ROAD OFFICE

The Grenadier's interior is designed to be comfortable, functional, and clearly and logically laid out. Purpose built, with clearly labelled, well-spaced chunky buttons to be useable with gloves on. Every element thought through with a clear understanding of what you need, whatever the task. Like the stylish yet uncomplicated aviation-inspired **Overhead Control Panel**, designed to keep off-road switchgear out of the way. In severe terrain the central rotary knob means there's no need to use the touchscreen. No amount of mud, sawdust, or wet work clothes will stop you getting the job done.

Pre-wired auxiliary switches or the 400W Power Take-Off¹ to power extra kit. Super supportive seats from renowned manufacturer **RECARO**. Utility, useability, and comfort, however long your working day.

When the job's done, simply hose down the Heavy Duty Utility Flooring thanks to the drain valves and splashproof interior. The hard-wearing **Heavy-Duty Seat Covers**² offer even more protection.

¹Optional feature. Standard on Grenadier Trialmaster Edition.

²Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price. European specification shown.

FULL RECOVERY

Whatever job you do, you need a 4X4 that won't let you down. For some, lives depend on it. Partnering with mine-clearing experts The HALO Trust through testing, development and beyond has helped us push the Grenadier's engineering and design to ensure the durability and reliability you need.

Tailor yours anyway you need to with **10- or 25-Amp pre-wiring** built in to easily add beacons, blue-lights, sirens, searchlights, and other exterior lighting. When the weather closes in, use the powerful **40-inch Lightbar**^{*1} accessory. Set about recovery with four heavy-duty **Towing Eyes**, and the factory-fit, **integrated Winch**². Precision machined to a meticulous design by renowned RED winches, 12,125 pound of winching power^{**}.

“HAVING TRAVELLED TO A NEW NUMBER OF PROGRAMMES ALREADY WITH THE HALO TRUST (CAMBODIA, ZIMBABWE, UKRAINE AND NOW KOSOVO) IT'S CLEAR THAT THE GRENADIER WOULD BE UP FOR EVERY TERRAIN THAT WE OPERATE IN NOW AND IN THE FUTURE. IT'S EXTREMELY IMPORTANT THAT THE JOB THAT WE DO, WE CAN'T DO WITHOUT VEHICLES SO WE NEED A VEHICLE THAT WILL BE ABLE TO GET US THERE AND GET US BACK.”

PAUL BRADFORD
GLOBAL FLEET MANAGER, THE HALO TRUST 

¹Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price.
²Optional feature.
^{*}Please see full disclaimer on page 64.
^{**}Before you use the Grenadier for winching, carefully review the winching section of the Grenadier Owner's Manual. The winching capacity of your Grenadier may vary. European spec winch bumper shown, USA / Canadian spec may vary.

INEOSGRENADIER.COM

AT HOME OFF-ROAD

AT HOME OFF-ROAD

Getting on with work, hitting forest trails, navigating boulder fields, dune bashing. Slippery, deep, rutted, rocky. Off-road terrain comes in many forms. So, you need a 4X4 engineered and tested to tackle every eventuality. From power, torque, and grip to rugged beam axles and constant traction, we've worked with our expert automotive partners to create a 4X4 fully prepared for wherever you choose to take it. And that lets you keep your eyes on the trail and hands on the wheel. The ground underneath you may change, the Grenadier's capability does not.

HEAVY DUTY COIL
S U S P E N S I O N

GETTING STUCK IN

Slick or sticky, deep or boggy, you need to know your 4X4 can handle any surface. Our choice of **Bridgestone All-Terrain** or **BFGoodrich tyres*** means you're always prepared.

Over 1.1 million miles of testing proved the **Permanent Four-Wheel-Drive** provides reliable, instant traction while **ZF's** expertly developed **8-speed automatic** transmission provides seamless shifts to maintain momentum.

When the going gets really tough, drop the custom-made **Transfer Case** into low range, for a 2.5:1 gearing reduction that provides more torque at slower speeds.

Lock the centre differential and hit the optional individual front and rear differential switches for a full, three locking diff set-up*. All to keep you moving even when only one wheel has traction.

*Optional feature. Standard on Grenadier Trialmaster Edition.

**"THE GRENADIER TURNS TRAILS
THAT'D MAKE A HIKER COLLAPSE
INTO A NON-EVENT."**

KYLE KINARD
ROAD AND TRACK 

DUNE BASHING

Taking on desert dunes is a true off-roading adventure. And for that you need the right tool. The Grenadier's **Traction Control System**, perfected for our 4X4 by engineering experts BOSCH, takes shifting sand in its stride. And monitors wheel slip and selectively applies brakes to regain traction. **Downhill Assist** keeps you on track on the way down as the **Raised Air Intake**¹ sucks in clean air to keep your filters clear.

Sometimes you'll dig in. Drop your tyre pressures then monitor them with the **TPMS** (Tyre Pressure Monitoring System) on the central touchscreen. Add mounting options for spades and sand ladders². Then, when dusk approaches but you want to carry on, toggle on the powerful **LED Auxiliary High Beam Lights** to show the way ahead.

¹Optional feature. Standard on Grenadier Trialmaster Edition.

²Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price.

ROCK SLIDING

TWO ——— SPEED
TRANSFER CASE

Driving tough trails in a 4X4 takes commitment, grit, and skill. It also takes an off-roader that can handle whatever you throw at it. Tough, capable, engineered without compromise, and built to last, we've tested every aspect of the Grenadier in the harshest conditions.

Engineered by us and built by TREMEC, the rock solid **Two-speed Transfer Case** keeps its cool thanks to an external oil cooler. A wheel at each corner ensures short overhangs front and rear. With ground clearance, and approach and departure angles that are up to the toughest challenge.

Strong, straightforward, coil sprung, **Solid Beam Axles** engineered and built by expert partners Carraro offer exceptional wheel articulation and traction, so you can make full use of the power being sent to the wheels. Plus superior flex while maintaining grip to deal with the most uneven ground. The **Underride Protection and Rock Sliders*** ensure all your Grenadier's essential components and bodywork stay protected.

The central touchscreen continually displays feedback so you're always sure of your surroundings. Need fewer distractions? Activate **Off-Road Mode**, cut the noise and focus on finding your line. Hitting deep water? Switch your engine fans off with **Wading Mode**.

“THE SUSPENSION IS AN OFF-ROADER’S DREAM. YOU CAN SEE THE SOLID AXLE ABOVE, WITH A RATHER FLAT CENTER DIFFERENTIAL HOUSING, WHICH IS SOMETHING I DON’T THINK I’VE EVER SEEN ON A PRODUCTION VEHICLE. THAT’S NICE AND COMPACT AND HIGH OFF THE GROUND.”

DAVID TRACY
THE AUTOPIAN

USA

*Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price.

EXTREME CONDITIONS

EXTREME CONDITIONS

A NEW CHALLENGE

You've prepared for the trip. Plotted the route. Filled the jerry cans and stashed the kit. Time to put your plan into action. Overlanding in Utah. Crossing the Nullarbor. Seeking out the big five in the Serengeti. Heading up to ski a glacier. Peddling a mountain, paddling a lake, searching for that legendary surf spot. The Grenadier is engineered to get you and your gear there and back again. However remote the destination.

SOLID BEAMS
AXLES

THE ROAD LESS TRAVELLED

Heading off the beaten track isn't just about the destination, it's about the experience of getting there. With the Grenadier you're all set. Simply load up your gear and go. Activate our unique off-road **Pathfinder Navigation*** system to plot your own route and mark waypoints using GPS coordinates and your Grenadier will show you the way back.

A **Full-Size Spare Wheel** comes as standard, and you can add the extra **Spare Wheel Bracket¹** on the **Roof Rack¹** to sling another wheel up top as backup for the backup. There are loads of Roof Rack attachments, so when you find that far-flung beach or isolated lake, you're ready to set up camp.

¹Accessory. To be fitted by retailer partner. Not considered on the vehicle's CO2 calculation and subject to fitment price.

*Map coverage available for the United States and Canada.

GRENADIER X BELSTAFF

Authentic, uncompromising products built to take on the outdoors. Made to move and engineered to last, while never compromising on style and comfort. That's Belstaff clothing and INEOS Automotive's shared philosophies. Two global British brands founded a century apart by leaders in their fields. Both brands have embraced the road less travelled: focusing on enduring values of craftsmanship, quality, and functional design. No fads, no trends.

BELSTAFF

GRENADIER 1924

MAGIC MUSHROOM

INKY BLACK

LIMITED EDITION

Introducing the INEOS Grenadier 1924 – the first ever limited-edition Grenadier from INEOS Automotive, built to celebrate the centenary of iconic clothing brand Belstaff. With premium product features and classic design touches, this collaboration sees a limited run of 1,924 units of the world-class 4X4, paying homage to Belstaff's establishment in the year 1924. The exclusive Grenadier is available in a two-color neutral palette – Magic Mushroom and, for a strong monochrome style – Inky Black.

BELSTAFF

GRENADIER 1924

LIMITED EDITION

THE TRIALMASTER

Cut from 6oz British Millerrain waxed cotton and featuring both a slanted map pocket and an ergonomic pivot shoulder for improved movement, the Trialmaster was created in 1948 at the request of professional Trials biker and Irishman, Sammy Miller. It remains a covetable classic to this day.

THE FIELDMASTER

Designed for life in the outdoors, the Trialmaster's younger brother has a roomier fit, cropped body and more modern, functional styling - perfect for a day's driving.

Moto racer John Lee competes in the Scottish Six Days Trial on his BSA C15 wearing his customized Trialmaster jacket, 1960.

When used herein, "Retail Partner" shall mean any INEOS authorized dealer, repairer or service provider.

FINANCE

Our dealership network throughout North America is there when you need expert advice or are ready for a test drive. We have chosen our dealer partners because they really “get” off-road vehicles. All of our dealers are trained and supported by our own technical teams and INEOS Automotive HQ. You can find your nearest dealer with our [online map](#).

INEOS Automotive Finance offers a variety of lease and retail finance options for Grenadier customers who prefer not to pay cash at the time of purchase. Get customizing through our [online configurator](#).

For more information, visit our [how to buy](#) webpage.

LEASE

Leasing through INEOS Automotive Finance provides flexible terms and mileage options to meet your requirements. Monthly lease payments are typically lower than retail finance payments when compared over the same term, offering financial flexibility.

RETAIL FINANCE

Financing through INEOS Automotive Finance means no mileage limitations on your vehicle and allows for enhancements or modifications to your Grenadier Station Wagon or Quatermaster. Financing can also spread the cost of your Grenadier over a period that is appropriate for your needs.

SERVICING

Regular service by INEOS-trained technicians is available at our Retailer Partners and authorized service providers. It is our aim to develop a comprehensive and expansive service network in order to support you, wherever your Grenadier Station Wagon or Quartermaster may take you.

WARRANTY

Durability and reliability are core to the Grenadier Station Wagon and Quartermaster DNA. We’re confident in the engineering and we’ve proven the vehicle’s capability and quality over 1.8million miles. Backed by our comprehensive new vehicle limited warranty.

OVERVIEW

Manufacturer’s Limited Warranty ¹	5 Years - 60,000 miles
Limited Paint Warranty ²	3 Years - 60,000 miles
Limited Whole Vehicle Anti-Perforation ³	12 Years
Accessories	3 Years

¹INEOS will warrant each 2024 Grenadier for 5-years/60,000 miles(whichever comes first; see dealer for details), from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship.
²Paint coverage covers any repairs, replacements, or adjustments needed to correct defects in materials or workmanship for original factory paint for 3 years/60,000 miles (whichever comes first; see dealer for details) from the original in-service date of the vehicle.
³The Anti-Perforation coverage covers any repairs, replacements, or adjustments of the body sheet metal panels and the chassis frame on a vehicle that suffer from inside-to-outside perforation from corrosion as a result of defective materials or workmanship for 12 years from the original in-service date of the vehicle. The coverage, however, requires that the Covered Vehicle is inspected, and repaired, if necessary, annually by an INEOS Automotive Approved Workshop.

PARTS

We know waiting for parts can be an inconvenient. So we are developing an extensive parts network supported by regional hubs and logistics partners.

SUPPORT

INEOS Automotive is here to support you with all the information you need to maintain, repair, or customise our vehicles through the Technical Access Portal. You will have access to a comprehensive range of digital technical publications from fitment instructions to workshop manuals to keep your vehicle on the move.

To get started, we’ll need some information from you. Simply send your request to our team at automotive.techaccess@ineos.com. We are ready to assist you!

THE RIGHT PRODUCTION SITE

A state-of-the-art Grenadier production site. 210,000 sqm housing 1,300 highly experienced workers with an excellent reputation for quality and 20,000 hours of Grenadier-specific training under their belts. We invested an extra €50m in a new paintshop, fully automated bodyshop, and quality centre. Ultimate 4X4s engineered differently and Built For More.

“BUILT FOR MORE IS A CALL TO DRIVERS TO GET OFF THEIR SOFA, BREAK FREE FROM THE CONFINES OF DIGITAL DEVICES AND EMBRACE WHAT THE OUTDOOR WORLD HAS TO OFFER. THE GRENADIER IS A GO-ANYWHERE 4X4, ENGINEERED TO WORLD-CLASS STANDARDS AND LITERALLY BUILT FOR MORE OF WHAT THE WORLD HAS TO OFFER.”

**LYNN CALDER,
CEO, INEOS AUTOMOTIVE**

We believe the information and specifications in this brochure to be correct at the time of publishing. INEOS reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Your INEOS dealer is the best source of the most up-to-date information on Grenadier vehicles. Specifications, dimensions, measurements, ratings and other numbers in this brochure, on our website and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of publication, please check with your INEOS dealer for complete details. INEOS reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Optional features, accessories and their availability may differ by vehicle (bodystyle and powertrain) and country or require the installation of other features in order to be fitted. Note that some standard features may be replaced when specifying a vehicle or selecting trim levels. Please contact your local Retail Partner for more details or configure your vehicle online.

Additional options offered for the vehicle may affect performance, emissions, exterior dimensions and off-/on-road geometry. Loading equipment on the roof may change the vehicle’s handling characteristics and users should not load the vehicle, any options or accessories (or any part of them) beyond their intended capacities. Off-road driving and use of related equipment (including options and accessories) requires advanced training and experience. Improper use of the vehicle or other equipment may be unsafe and could result in property damage and/or injury to users and/or other parties. It is the user’s responsibility to check the vehicle, equipment, route and conditions ahead before proceeding. Consult the Owner’s Manual, applicable accessories manual/ instructions or your closest Retail Partner for more detail.

The aniline saddle leather is untreated and is subject to staining and discoloration as it absorbs moisture and oils and will fade and/or discolor when exposed to the sun. Due to the nature of the material, we are unable to include the Saddle Leather Driver’s Pack within our full vehicle warranty and cannot accept responsibility for any staining, fading, discoloration or any other defects typical of this leather type caused by natural wear or otherwise. By selecting the Saddle Leather Driver’s Pack you acknowledge acceptance of the above information. Please refer to the Warranty T&Cs for more detail.

The Utility Belt option has restricted usage on-road, dependent on local laws. Only use in-car features when safe to do so. Driving while distracted can result in loss of vehicle control, damage to property, injury or death. Always obey local laws and speed limits. When used herein, “Retail Partner” shall mean any INEOS authorized dealer, agent, retail seller, importer, repairer or service provider.

The LED Light Bar only works with the 2024 INEOS Grenadier. Warning – this part has been designed and is intended for Off-Road Application Only, not for use on public roads. This part may not be installed by INEOS or an INEOS dealer, and may not be sold or financed in conjunction with the sale of a vehicle. INEOS Automotive Americas, LLC does not authorize and strictly prohibits the installation of any part designated as “Off-Road Application Only” by INEOS, an INEOS dealer or authorized repair provider. Installation and use of this part on a vehicle intended for use on public roads may violate U.S., Canadian, state or provincial laws and regulations, including those relating to emission requirements and motor vehicle safety standards. Such installation is solely the responsibility of the vehicle owner. The vehicle owner is responsible for using the part in compliance with federal, state, provincial and local laws. In addition, installation of this part may adversely affect the warranty coverage on your vehicle. Prototype vehicle images included throughout. Some features may not be representative of final vehicle specifications.

All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit <http://www.siriusxm.com/FAQS> for most current service area information.

Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. ²Vehicle will include 3-month trial subscription for SiriusXM. Your service will automatically stop at the end of your trial subscription unless you decide to continue service. If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes online methods or calling SiriusXM at 1-866-635-2349. All fees, content and features are subject to change. Channel lineup varies by plan.
